A Journey of Brain Injury from Indigenous & Rural Perspective
Friday, June 30, 2023
11:00 a.m. - 12:00 p.m. MST
1 hour DEI credit eligible event

This session—part of the Sonoran Center's monthly Native Center for Disabilities webinar series, funded in part by the Arizona Developmental Disabilities Planning Council—will discuss Colorado’s brain injury support system and how the system interacts with rural priorities and Indigenous populations. Participants will learn about local resources and initiatives to support individuals with a brain jury who may not have access to services provided in urban cities.
