Neuroscience Grand Rounds

Friday, December 16th, 2022
8:00am-9:00am

Zoom

*Eligible for 1 DEI Credit Hour

Molly Fuentes, MD, MS,
Assistant Professor of Rehabilitation Medicine at the University of Washington

“Applying Equity Frameworks in Inherited Neuromuscular Disorder”

Presentation Learning Objectives:

1. Review disparities and inequities in inherited muscle diseases
2. Describe the WHO International Classification of Function, Disability, and Health framework and social determinants of health model as applied to inherited muscle disease
3. Discuss domains of access to Neuromuscular Clinical Care highlighting areas of inequity
4. Use epistemic injustice lens to explore power imbalances within health care
