*Eligible for 1 DEI Credit Hour (as applicable)

Wednesday, May 17, 2023         8:00-9:00 AM        Location: Zoom

Spark Lecture: Health Care Disparities

Speaker: John Ruiz, Ph.D.
Associate Professor-Clinical, Director-Social Risk and Resilience Factors (SuRRF) Lab, Director-Health Psychology Track, Chair-Diversity Committee

Hosted by: Department of Urology

Learning Objectives:

1. To understand the psychosocial influences on health
2. To learn the current understanding of the biological/behavioral pathways linking stress and heart disease
3. To understand the psychological aspects of resilience in Latino health and health disparities, including the Hispanic mortality paradox
